

Left side on RC car

Right side on RC car

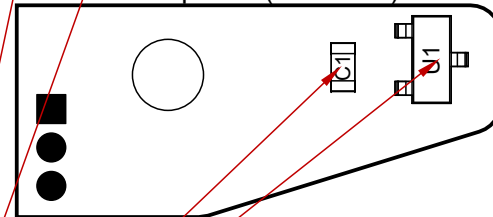

View from Bottom side (Scale 4:1)

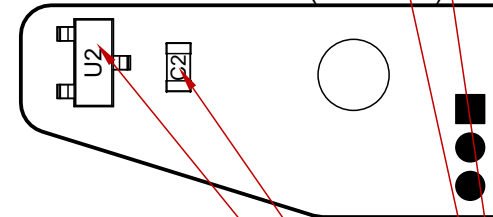

View from Top side (Scale 4:1)

View from Top side (Scale 4:1)

View from Bottom side (Scale 4:1)

Encoder mounted on left side: Only mount componnets on the "Back right" side of the PCB

Encoder mounted on right side: Only mount componnets on the "Back left" side of the PCB

*I made a mistake on the silkscreen so thats why the components need to be mounted the wrong way around
